

WHY AND HOW CAN YOU HELP?

2017's Thunder Run expects to draw large crowds as each year this event gets bigger and better. We have participants registered from all over New England; especially our local area where you conduct your business.

Competitors will participate to support our causes, to have fun and to enjoy the challenge. They are also very aware of sponsors who step up to help those charitable causes.

They are, and will be your customers for years. This is a great way for your business to show how much you support the community by investing in the causes that are important to them. Let's work as a team to combine our efforts and help the community! Thank you for your support!

Dustin Ramey, Race Director
Raymond Area Rotary

We thank you very much for your compassionate donation to our very worth causes!

Without YOU, we would not be able to serve the community as well as we do. All donation level sponsors may arrange to set up a booth, tent or table to hand out items marketing their establishments.

Their employees or volunteers dedicated to that activity will be allowed free entry. Any other donated items such as water sport drinks and hand wipes will be greatly appreciated! We would be happy to accept "in kind" donations, such as lumber, for equal value of donation level.
