

THUNDER RUN

A unique 5K obstacle race

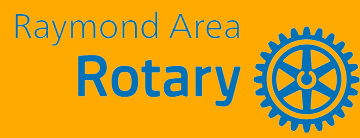

THUNDERRUN SPONSORSHIP LEVELS

2024 Thunder Run expects to draw large crowds as each year this event gets bigger and better. We have participants registered from all over New England; especially our local area where you conduct your business. This is a great way for your business to show how much you support the community by investing in the causes that are important to them.

A distinctive 5K run with 20 challenging obstacles. The Raymond Area Rotary is presenting this activity to raise funds for charitable causes. All proceeds will directly benefit the local community and Rotary International's worldwide projects.
